Good morning, everyone! It's Sophia from 831, and I'm excited to share some thoughts with you today for Words of Wisdom Wednesday on behalf of our S.E.A.L. Team.

Dreams? We've all got 'em. Maybe you see yourself as a doctor saving lives or maybe as a star basketball player scoring the winning shot. But, sometimes, a little voice inside might whisper, "That's too hard" or "You can't make it." But, don't let that little voice stop you. Instead of feeling down, let's challenge ourselves. Push a bit every day, and before you know it, you'll be reaching those dreams.

Life's journey isn't without its bumps. There will always be stones in the road, that delay you from achieving your goal; but always remember to stay strong, face those challenges, and keep pushing forward. Let's always keep the magical words of Walt Disney in mind, "If you can dream it, you can do it."

Thanks for your time, everyone! Have a Warrior of Wishes Wednesday! 😊
