

October 24, 2022

Good morning, I.S 201! It's Elly from class 751 and I am back for another Motivational Monday message. I can't believe it's already near the end of October, time really flies!

To start this beautiful week and day, I am delighted to share with you an inspirational quote from Adam Osborne.

"The most valuable thing you can make is a mistake, you can't learn anything from being perfect." Everyone has that moment when they think, "I wish I could be perfect and flawless." Now think to yourself, what does being perfect actually mean? The word perfect itself is defined as having all the required or desirable elements, qualities, or characteristics. However, if you're flawless you can't learn anything. No one is born perfect. Everyone makes mistakes, and that's what life is all about! What matters most is definitely not about not making mistakes, but it's about how we learn from them. So, the next time when you make a mistake instead of blaming yourself and saying negative things like, "I'm so dumb!" or "I should've done it perfectly." Rethink about your error and learn from it!

And now it's time to take out your SEAL Team pledge and recite it with me!

SEAL Team pledge:

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile

Thank you for listening. Have a Mistakes Don't Define You
Monday 😊
