Good morning I.S 201! It's Joanna from class 851 for S.E.A.L Summaries on behalf of the S.E.A.L Team.

As the saying goes, "Teamwork is the dreamwork." At times, even though it may not seem like it, working together with others is necessary to achieve the ultimate goal. Though there are definitely times where working alone may be better than working with someone else.

Today, we will be talking about why teamwork is important. Now and then, splitting up our responsibilities with others, rather than doing it by ourselves is vital to achieve the best results. Here is a famous quote about teamwork by Helen Keller, "Alone we can do so little; together we can do so much," and as Doug Floyd says, "You don't get harmony when everybody sings the same note." When we work with each other, different opinions and perspectives are contributed, and different outlooks on those topics are provided.

Thank you for listening and have a Forging Success Together Friday

The affirmation of the day is: "I believe in the power of collaboration to achieve greatness."
