Good morning! It's Irene Qiu from 731 and I'm here this Thoughtful Thursday on behalf of the S.E.A.L Team.

Did you know today is Confucius Day? This day pays tribute to Confucius. He was a Chinese teacher, statesman, and philosopher during the Spring and Autumn period of Chinese history. The saying "You are what you think" and "Choose a career you love, and you will never have to work a day in your life" are both well-known quotes. If so, even though you weren't aware of it you were living through the eyes of Confucius.

Thanks for listening have a thrive for knowledge Thursday 😊
