Good morning! It's Irene Qiu from 731 and I'm here this Thoughtful Thursday on behalf of the S.E.A.L Team.

Do you have a habit of misplacing items? It's about time you got organized, since this month is National Get Organized Month. It is critical to stay organized in order to stay on top of assignments and avoid losing them. Here are some pointers to keep you organized:

1. Make lists and plan things out.
2. Don't just cram things into your bag, take some time to properly put them away as it might help you later on.
3. Use your folders for your assignments and make it a point to place the correct paperwork with its according folder.
4. Throw away the stuff you don't need. Take the time to clean out your schoolbag when it gets too heavy.

As Benjamin Franklin once said, "For every minute spent organizing, an hour is earned." That being said, take the time to organize in order to pave the way for success.

Thanks for listening have a Take the Time to Organize Thursday 😊
