Good morning! It's Sophia from 731 and I'm here this Words of Wisdom Wednesday on behalf of the S.E.A.L Team.

Did you know that today is Susan B. Anthony Day? Susan B. Anthony's birthday is commemorated on this day as well as her honor. She was a significant female figure in American history. Susan B. Anthony, who was born on February 15th, 1820, dedicated her life to advancing the rights of women, particularly the ability to vote and equality. In 1872, she was detained for attempting to cast a ballot in the presidential election. She played an important role in enacting the 19th Amendment, which granted women the right to vote.

We should all take inspiration from Susan B. Anthony. She put a lot of effort into making her ideals a reality. We should all aim to possess the bravery Susan B. Anthony has in order to realize our aspirations. Let's live by her words, "Failure is impossible."

Fun fact, the only woman to date to have her image appear on a coin or piece of paper money in the United States is Susan B. Anthony. It can be found there on the silver dollar.

Thanks for listening have a Women's Rights Wednesday 😊
