Good morning I.S 201! It's Joanna from class 851 and I will be with you for our S.E.A.L Summaries every Friday on behalf of the S.E.A.L Team.

This Sunday, May 12th, is Mother's Day! The special bond between mother and child lasts a lifetime. A mother's unwavering love, endless sacrifices, and dedication for what's best for their child from the start is something very special that cannot be replaced.

Here's a quote from Marion C. Garretty, "Mother love is the fuel that enables a normal human being to do the impossible."

This Mother's Day, let us all show our love for our mothers, our grandmothers, our aunts and let them know how much we appreciate them. It can be through a card, a gift, or just a couple words to express your gratitude. This Sunday don't forget to remind them of how much they really mean to you.

Let's end with a quote from Stevie Wonder, "Mama was my greatest teacher, a teacher of compassion, love and fearlessness. If love is sweet as a flower, then my mother is that sweet flower of love."

Thank you for listening and have a From Love With Love Friday!

The affirmation of the day is: "I will be honest and trustworthy in all my interactions."
