Good morning IS 201 and Happy Monday! I'm Elly from class 751 speaking to you on behalf of the SEAL Team.

On November 18th we celebrated the birthday of Mickey Mouse. You may know Mickey for being clever and humorous, but did you know that this mouse would not have come alive if it wasn't for one man? That man is Walt Disney. And today is Walt Disney Day! On this day we celebrate the great pioneer who brought happiness, friendship, and laughter to children all over the world. Or maybe even adults! Walt Disney is undoubtedly successful, but did you know that his life wasn't always smooth?

The difference between winning and losing, according to Walt Disney, "is most often not quitting," Even though Walt created the Disney Empire, his road has not always been easy. He experienced problems and difficulties just like us. One thing about him, though, was that he never gave up. And that is what contributed to his success. And if you're listening, remember to never give up. Never give up and never stop doing the things you love and are extremely passionate about, no matter how challenging they may be.

Giving up means you'll never have the chance to succeed, but if you keep going despite obstacles, you can. To succeed, you must play! After all, Mickey and his pals didn't appear out of thin air!

And now let's recite the SEAL Team Pledge together-

We are the Dyker S.E.A.L. Team
